O R D E R

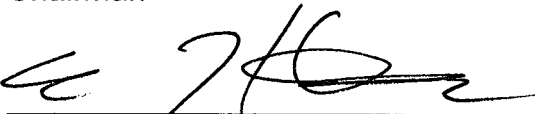

On February 3, 1998, the Commission entered an Order initiating this investigation into the financial condition of Green Hills Water District ("Green Hills") and requested certain information. In a response filed March 10, 1998, Green Hills indicated that its portion of a line extension project to Pineville was overbid by \$739,826, and that Green Hills was evaluating its options. Finding that our investigation should not proceed until the uncertainty associated with the line extension project is resolved, the Commission HEREBY ORDERS that:

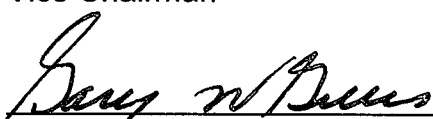

1. This investigation is held in abeyance until further notice.
2. Green Hills shall file quarterly reports to update the status of the Pineville line extension project, with the first quarterly report due no later than June 30, 1998.

Done at Frankfort, Kentucky, this 27th day of May, 1998.
